DEPARTMENT OF COMMERCE

Report on National Statistics Day Celebration;

Date: 29th June 2024

Venue: S.V.B. Government Degree College, Koilkuntla

Organized by: Department of Commerce

Introduction: The Department of Commerce at S.V.B. Government Degree College, Koilkuntla, successfully conducted the celebration of **National Statistics Day** on **29th June 2024**. This annual event is observed to create awareness about the importance of statistics in everyday life and to honor the renowned statistician, Professor Prasanta Chandra Mahalanobis.

Objectives;

The key objectives of the event were to:

1. Promote awareness about the significance of statistics in various fields.
2. Encourage students to appreciate the role of data in decision-making processes.
3. Highlight the contributions of statistical research to national development.

Event Highlights

1. **Inauguration Ceremony:** The event commenced with an inaugural address by the Principal, Dr.K.Venugopal who emphasized the relevance of statistics in understanding societal trends and making informed decisions.
2. **Guest Lectures:** The faculty members delivered insightful lectures on various topics:
 - o "The Role of Statistics in Economic Planning" by U. Venkateswara Reddy, Lecturer in Commerce
 - o "Data Analysis in the Modern World" by Sri E.V. Bhaskara Reddy, Lecturer in English. These sessions engaged students and highlighted practical applications of statistics.

Participation

The event witnessed enthusiastic participation from over 53 student's and 10 faculty members. The engagement level was high, with many students actively participating in discussions and workshops.

Feedback

Feedback collected from participants indicated that the event was informative and engaging. Students appreciated the opportunity to learn about the practical applications of statistics and expressed interest in future events focused on this topic.

Conclusion

The National Statistics Day celebration at S.V.B. Government Degree College was a resounding success, achieving its objectives of raising awareness and promoting the importance of statistics. The Department of Commerce looks forward to organizing more such events in the future to further enhance students' understanding of statistical concepts and their applications.
