Principal's Message

Dear Colleagues, Students, Parents, Alumni and well-wishers,
Warm greetings to you all.

It is a matter of immense pleasure for every one of us at SVB Government Degree College, Koilkuntla that we are bringing out the issue of our College News Letter for the month of July- 2026.

It is true that an educational institution cannot be an island unto itself. It has to find ways to connect itself to the society it intends to serve. We, the new team of faculty at the College, strongly feel that this News Letter would act as a bridge between the outside society and the Institution. We believe that the sound of the “Koil Bells” would be heard far and wide.

This News Letter covers a wide spectrum of Curricular, co-curricular and Extra-curricular activities carried out by the various departments of the College in the month of July- 2026. I whole heartedly congratulate the editorial board for their sincere efforts in chronicling these events. I hope it would be appreciated by one and all.

With regards

Dr. M. Venugopal

About the College

S.V.B. Govt. Degree College, Koilkuntla is in the vicinity of historically well-known Renadu area in Kurnool district in Rayalaseema of Andhra Pradesh. S.V.B. Govt. Degree College was established at Koilkuntla under the aegis of Late Sri Pendekanti Venkata Subbaiah, former Governor of Bihar and Karnataka, in 1981. The main objective was to develop this area educationally. About 85% of students hail from socially disadvantaged communities with low-income levels. Conventional and restructured courses are offered in this college. The introduction of all courses is giving a greater opportunity for students of this educationally backward area. The CPDC (College Planning and Development Council) and Alumni are a great source of strength to this college. S.V.B. Govt. Degree College moulds the students as responsible citizens and strives to impart employable skills to them. The college has gone for accreditation by NAAC, Bangalore and got B+ Grade in 2007. It went for reaccreditation in 2015 (Second Cycle) and secured B++ Grade. Again It went for reaccreditation in 2025 (Third Cycle) and secured B Grade.

Vision & Mission

To empower students of first-generation families from marginalized sections with 21st century requirements of the society through quality education

Vana Mahostavam

Date:08.07.2026

Organised by: Eco Club

The Eco Club of our college organized a Vana Mahotsavam Plantation Programme on 08-07-2026 in the Botanical Garden of the college with the objective of promoting environmental awareness and encouraging the importance of protecting and conserving nature. The programme was coordinated by Dr. H. Ramasubba Reddy, along with the teaching staff and students. As part of the programme, various saplings, including Spathodea, Acacia, and Kadamba, were planted in the botanical garden. The coordinator, staff members, and students actively participated in the plantation activity and demonstrated their commitment towards environmental protection. The participants were also encouraged to understand the importance of trees in maintaining ecological balance, improving air quality, and creating a healthy environment. The programme created awareness among students about their responsibility towards nature and inspired them to take part in similar environmental activities. The plantation programme was successfully conducted with the enthusiastic participation of the college community and concluded with a commitment to nurture and protect the planted saplings.

Bus facility to the College

Date:08.07.2026

Organised by: Principal

As per the advice and orders of Sri. B. C. Janardhan Reddy, Hon'ble Minister for Roads & Buildings, a bus facility has been arranged from the Bus Stand to the College by the Depot Manager, APSRTC, Koilkuntla. The facility commenced from 08.07.2026 with the objective of providing convenient transportation to students and staff attending the college. The bus starts from the Bus Stand at 9:45 AM every morning and reaches the College at approximately 10:00 AM, facilitating timely attendance. In the evening, the bus provides return transportation from the College to the Bus Stand, departing from the College at 4:00 PM. This facility has been initiated as a supportive measure for the convenience and safe transportation of students and staff. The college administration appreciates the efforts of the Depot Manager, APSRTC, Koilkuntla, and the guidance and support extended by Sri. B. C. Janardhan Reddy, Hon'ble Minister for Roads & Buildings, in providing this important transportation facility.

Plantation programme

Date:13.07.2026

Organised by: NSS

The National Service Scheme (NSS) organized a Plantation Programme in the college garden on 13.07.2026 with the objective of promoting greenery and environmental awareness among students. Dr. H. Ramasubba Reddy, NSS Programme Officer, purchased a variety of plants from a nursery for planting in the college garden. Bougainvillea, Gladiolus, and other ornamental plants were planted during the programme. Pots were also purchased for planting tubers and for maintaining the garden in an attractive and systematic manner. The Principal, teaching and non-teaching staff, and students actively participated in the plantation programme. The students enthusiastically assisted in planting and watering the plants and learned the importance of protecting and nurturing the environment. The programme helped beautify the college campus and created awareness among students about environmental conservation. The active participation of all members made the NSS Plantation Programme a successful and meaningful activity.

Staff felicitation

Date:16.07.2026

Organised by: Staff Club

A staff felicitation programme was held at the college on 16.07.2026 to honour the services and contributions of the retiring and transferred staff members. Sri. I. Nageswara Reddy, Lecturer in History, was felicitated on the occasion of his transfer to Government Degree College, Jammalamadugu. The principal, teaching and non-teaching staff, and students expressed their appreciation for his dedicated service to the college and conveyed their best wishes for his future assignment. Sri. D. Pullaiah, Sri. T. Nagaraju, and Sri. K. Krishnaiah, Office Subordinates, were also felicitated on the occasion of their retirement from service after attaining the age of 62 years. The principal, staff, and students felicitated all the dignitaries with great respect and affection, acknowledging their sincere and valuable services to the institution. The programme was conducted in a warm and cordial atmosphere, with everyone wishing the retirees a happy and peaceful retired life.

Book distribution

Date:17.07.2026

Organised by: Physics

Report on “Distribution of Books & Study Materials to Students”

Organized by:

Department of Physics,
SVB Government Degree College,
Koilkuntla, Nandyal District.

Date: 17-07-2026

Venue: Physics Lab.

The Department of Physics, SVB Government Degree College, Koilkuntla, organized a **Book and Study Material Distribution Programme** for the students of B.Sc. Physics with the objective of supporting their academic progress and promoting effective learning practices.

The programme was conducted in the Physics Department in the presence of the Principal, faculty members, and students. The Principal appreciated the initiative taken by the department and emphasized the importance of textbooks, laboratory manuals, and reference materials in strengthening conceptual understanding and improving academic performance.

During the programme, the department distributed the following study materials to students:

- Physics textbooks
- Practical record books
- Laboratory manuals
- Previous examination question papers
- Handwritten notes and study materials prepared by faculty

The programme reflected the department's commitment to student welfare, academic support, and inclusive education. The students expressed their gratitude to the Department of Physics and the college administration for the timely assistance and encouragement.

- Students received essential academic resources.
- Awareness regarding effective study practices was created.
- Motivation for regular study and practical learning was enhanced.
- Support was extended to needy students to ensure equal learning opportunities.

The programme concluded successfully with a vote of thanks delivered by a faculty member of the Department of Physics.

Swarna Andhra Swatch Andhra

Date:18.07.2026

Organised by: NSS

The NSS Unit organized a Swarna Andhra Swachh Andhra Awareness Programme on 18 July 2026 in the Seminar Hall, focusing on the theme “Sanitation and Personal Hygiene.” The programme aimed to create awareness among students about the importance of maintaining cleanliness, personal hygiene, and a healthy environment. The NSS Programme Officer, Dr. H. Ramasubba Reddy, led the programme and administered the cleanliness and hygiene pledge to the participants. The pledge emphasized individual responsibility and collective efforts towards building a clean and healthy society. Following the awareness session and pledge, an awareness rally was conducted to spread the message of sanitation and personal hygiene among the students and the wider community. The Principal, teaching and non-teaching staff, and students actively participated in the programme and rally. The participants raised awareness about maintaining personal cleanliness, proper sanitation practices, and the importance of keeping public places clean. The programme concluded with a strong message that cleanliness is a shared responsibility and that every individual has an important role in achieving the vision of a Swachh Andhra Pradesh.

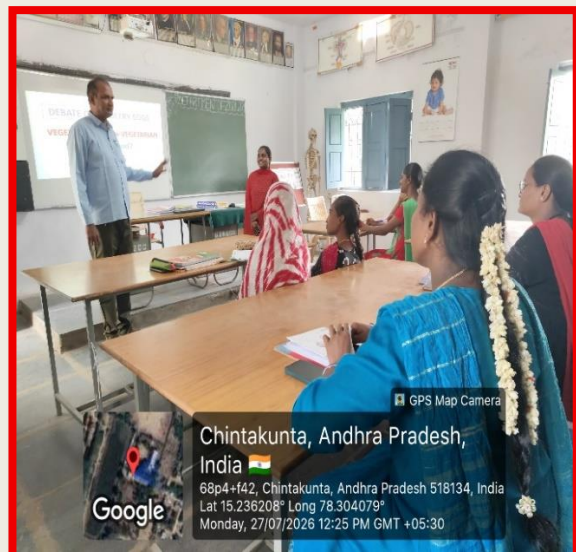

Debate - Zoology

Date: 27.07.2026

Organised by: Zoology

A debate on the topic “Poultry Eggs: Vegetarian or Non-Vegetarian – Which is Good?” was organized by the Department of Zoology on 27.07.2026. The programme provided students with an opportunity to discuss and express their views on the nutritional, dietary, and ethical aspects of consuming poultry eggs. Students participated enthusiastically in the debate and presented their arguments confidently, making the programme informative and engaging. The programme was coordinated by Dr. H. Ramsubba Reddy, Lecturer in Zoology, in the Department of Zoology. The active participation of the students contributed greatly to the success of the event. The debate helped students develop their communication skills, critical thinking, and ability to present ideas with clarity while considering different perspectives on the topic.

Students Career Counselling

Date:28.07.2026

Organised by: Zoology

A Career Counselling Programme on the topic “Opportunities in Higher Education” was organized by the Department of Zoology on 28.07.2026. The programme was organized by Dr. H. Ramsubba Reddy, Lecturer in Zoology, with the objective of creating awareness among students about various opportunities available for higher education after graduation. The programme highlighted the importance of pursuing postgraduate studies and guided students regarding different academic and career pathways in the field of Zoology. Students actively participated in the programme and interacted with the resource person to clarify their doubts. During the programme, students were also informed that coaching in Zoology would be provided for PG entrance examinations to help them prepare effectively for higher studies. It was further announced that free study material would be provided to the students as part of the academic support. The programme was informative and beneficial to the students, motivating them to pursue higher education and prepare confidently for PG entrance examinations. The session concluded with a positive response from the participating students.

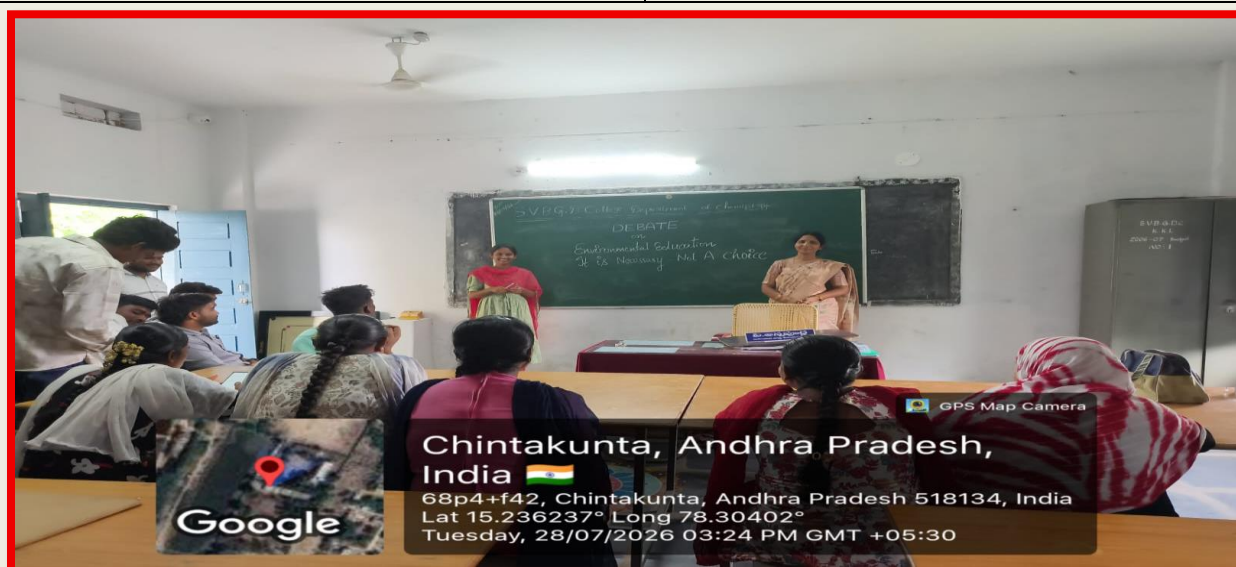

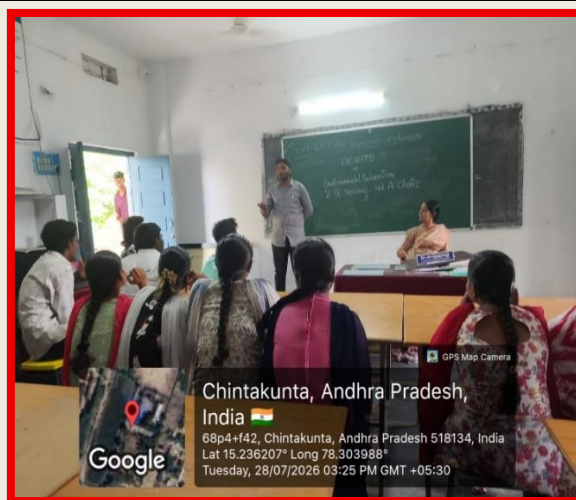

Debate - Chemistry

Date:28.07.2026

Organised by: Chemistry

A debate was organized by the Department of Chemistry on 28.07.2026 on the topic “Environmental Education: It is a Necessity, not a Choice.” The programme aimed to create awareness among students about the importance of environmental education and its role in addressing present-day environmental challenges. Students actively participated in the debate and expressed their views with enthusiasm, confidence, and clarity. The discussion provided an opportunity for students to explore different perspectives on environmental protection and sustainable development. The debate witnessed enthusiastic participation from the students, who presented their arguments effectively and demonstrated a keen interest in environmental issues. The programme also encouraged critical thinking, communication skills, and a sense of environmental responsibility among the participants. Smt. P. Annapurna, Lecturer in Chemistry, coordinated the programme and ensured its smooth conduct. The event was informative and engaging, leaving the students with a greater understanding of the need to make environmental education an essential part of their learning.

Invited Lecture

Date:29.07.2026

Organised by: Zoology

An invited lecture on “Opportunities in Aquaculture” was organized by the Department of Zoology on 29.07.2026. The programme was organized by Dr. H. Ramsubba Reddy, Lecturer in Zoology, with the objective of creating awareness among students about the growing scope and career opportunities in the aquaculture industry. Sri. E. Raghava Goud, Manager in the Aqua Industry, was invited as the resource person. He delivered an informative lecture on the various opportunities available in aquaculture and highlighted its importance and potential for employment and entrepreneurship. A good number of students from the department actively participated in the programme and benefited from the expert interaction. The resource person explained the practical aspects of the aquaculture sector and encouraged students to explore career opportunities in this field. The lecture provided valuable knowledge and motivation to the students and helped them understand the relevance of aquaculture in the present-day context. The programme was informative and successful in achieving its objective of creating awareness about career prospects in aquaculture.
